

POOL WAREHOUSE LAYAWAY CONTRACT

Pool Warehouse is happy to offer a Layaway Program to accommodate purchases of our quality made products. For your ordering convenience we offer 6-12 month layaway plan. Simply take your order total which will include the shipping and divide it by 6 or 12. Payments must be made regularly, as scheduled, and must be received by us, on or before the day they are due. There is no penalty for early pay off and you are certainly welcome to do so. Due to fluctuations in liner availability your swimming pool liner selection will be made when sending in your final payment. Once payment has been made in full, your Swimming Pool Kit will be shipped to you within ten business days.

The Pool Warehouse layaway program is only for serious buyers who are 100% sure that they will be purchasing a pool kit within the next 12 months. Please note, layaway payments are non-refundable and no credit/refund will be issued upon failure to complete payments. If the layaway contract is cancelled within the first 30 days, we retain 15% of your first payment for expenses. If the layaway is canceled after 30 days, we retain 60% of all payments made for restocking fees. Failure to complete layaway in the 6-12 month time period results in a cancellation of your order and no refund of money paid will be given. The layaway starts from the date that we receive this signed form along with your first payment. Please fill out this form and fax or email it in to start the layaway process. Once we receive your completed Layaway Contract, we will send a money request for the first payment.

We process your Layaway payments via Credit Card, Check, Bank Issued Money Order or PayPal. Please indicate your preferred method of payment below.
