

# NATIONAL CHLORINATOR WARRANTY

This Limited Warranty applies to the following models (all versions and voltages) purchased through an authorized dealer and installed inside the contiguous United States after May 1, 2013. This warranty shall begin upon the date of purchase as verified by the owner/operator's proof of purchase documents. In lieu of owner documents, the warranty initiation date shall be sixty (60) days from the date of manufacture (as verified by factory production records). AquaCal AutoPilot, Inc. (hereafter referred to as: "Manufacturer") warrants the following models (hereafter referred to as: "product"), to the original owner and installation site, to be free of material or workmanship defects for a limited term.

- Product is warranted for period shown above or 8000 amp hours of equipment runtime.
- Peripheral components have a one year part / one year labor warranty period. Peripheral components consist of AquaCal AutoPilot Auxiliary Relays, Acid Tanks, and Acid Pumps.
- Parts replaced under warranty (excluding cell replacements) are additionally warranted for one year part / ninety days labor or the end of the original product warranty term as listed above. Cells replaced under warranty have two years part / thirty days labor (for residential), one year part / thirty days labor (for commercial and AG), or the remainder of the original product warranty term as listed above. A proof of service replacement is required for additional warranty.
- Cell depletion is not considered a warranty covered issue. Cell cords must be replaced when cell is replaced in order to prevent voiding product warranty.

- 1) This warranty covers parts and labor to repair or replace component failures due to workmanship.
- 2) This warranty does not include transportation charges for equipment or component parts to or from the Manufacturer. The owner/operator shall be responsible for any travel charges imposed by the warranty center or servicing agent.
- 3) At its sole discretion, the Manufacturer reserves the right to replace defective parts with new or refurbished replacement parts.
- 4) At the option of the Manufacturer, the Owner may be required to return the product to the factory, freight prepaid, to provide warranty service. This may become necessary if the product was installed in an area not supported by a Factory Authorized Service Center.
- 5) Claims for warranty reimbursement must have prior authorization by the Manufacturer and be performed by a Factory Authorized Service Center.
- 6) The use of parts other than genuine Manufacturer parts will void this limited warranty.
- 7) Purchasing original and / or replacement equipment through an un-authorized dealer will void this limited warranty.
- 8) This warranty is applicable only if the product has been installed, operated, and maintained expressly and completely in accordance with the product's Owner/Installation manual. This document is available online at the Manufacturer's website indicated on the bottom of this document.
- 9) This warranty is void if the product is repaired, replaced, or altered in any way by any persons or agencies other than a Factory Authorized Service Center, and is in lieu of all other warranties, expressed or implied, written or oral.
- 10) Failure of Customer to properly maintain pool water chemistry can negatively affect the performance of the product and cause equipment deterioration. Customer hereby releases Manufacturer from all claims for damages to product, pool plaster, liners, covers, metals in pools, etc. due to improper water chemistry. Deterioration, discoloration or brittleness to product from external factors (such as equipment age, environmental conditions, sunlight, etc.) are not covered under this limited warranty.
- 11) The liability of the Manufacturer shall not exceed the repair or replacement of defective parts under the referenced limited warranty term and shall not include applicable consumables. (Consumables can include but are not limited to glue and brazing/welding gases & material)
- 12) This warranty does not include damage due to freezing conditions, negligence or abuse, installations in corrosive environments or atmospheres, nor acts of God.
- 13) There are no implied warranties of merchantability or fitness for a particular purpose that apply to this product. Under no circumstances shall the Manufacturer be liable for any loss, damage, or injury, whether direct, consequential or incidental, arising out of the use or inability to use this product.
- 14) In addition, each pool/spa has its own individual requirements. This limited warranty does not warrant that this product will supply 100% of those requirements. This includes purifying requirements for chlorinator products and heating requirements for heat pump products.
- 15) No dealer, distributor, or other similar person has any authority to make or extend any warranties or representations concerning Manufacturer's products beyond the express terms contained herein. Manufacturer assumes no responsibility for any warranties beyond the expressed terms contained in this limited warranty. Customer releases and holds Manufacturer harmless from any claims stemming from any unauthorized representations.
- 16) This limited warranty is for product installed and used in swimming pools and spas only. Installation and use in any other application voids this warranty unless specifically authorized by the Manufacturer.
- 17) The foregoing limited warranty gives the Customer specific legal rights that may vary from state to state, and accordingly, some of the listed conditions and exclusions may not apply to Customers living in certain states. Any dispute between Customer and Manufacturer will be settled by binding arbitration, conducted in Pinellas County, Florida, under the rules of the American Arbitration Association, and an award of attorney's fees and costs will go to the prevailing party.
